PUBLIC HEARINGS FOR FY 2017-18

- DISTRICT BUDGET
- LOCAL CONTROL ACCOUNTABILITY PLAN

TUESDAY, MAY 9, 2017

Taxpayers will have an opportunity to have a say on how their school tax dollars are being spent at public hearings on the District's Budget and its Local Control Accountability Plan (LCAP). **The meeting will be held Tuesday, May 9, 2017 at 7:00 p.m. at the Roseville Joint Union High School District Administration Center, 1750 Cirby Way, Roseville 95661.**

The purpose of this meeting is to set aside time to provide information to the public and to receive public comment and input on the spending plans for the upcoming year. The public will also have the opportunity to submit written comments regarding the District's LCAP. A form will be available for this purpose or a letter may be submitted during the meeting as well. The Superintendent will respond in writing to all written comments received at the meeting.

The LCAP is an important component of the State's new Local Control Funding Formula (LCFF). LCFF is the formula the State now uses to fund school districts. The LCAP is a district's plan to meet annual goals for all pupils, with specific activities to address State and local priorities. More information regarding the LCAP is available at the district's website [www.rjuhsd.us](http://www.rjuhsd.us) (Left side of Home Page under "Quick Links").

**The tentative Budget and final LCAP are scheduled to be presented to the Board for adoption at the June 9, 2017 Board meeting.**
