

**PUBLIC NOTICE:**

**REQUEST FOR QUALIFICATIONS (RFQ) FOR DESIGN SERVICES  
ROSEVILLE JOINT UNION HIGH SCHOOL DISTRICT**

Pursuant to California Government Code sections 4525, et seq., the Roseville Joint Union High School District (the "District") is soliciting written statements of qualifications from qualified firms for planning, design & Construction Administration to establish a Pool of Design Services firms to provide Architectural and Engineering services for various Facilities projects throughout the District. Projects may include, but not limited to: Roofing, modernization, new construction, safety and security upgrades.

Design professional services offered pursuant to a design professional agreement, or any amendment thereto, entered into on or after January 1, 2007, with a public agency, incorporate by reference the provisions of Civil Code section 2782.8.

Submitting firms must have a minimum of three years' relevant experience on California K-12 school district projects and possess substantial DSA experience.

The complete RFQ package is available through the District web site at "RJUHSD.us" under the Facilities Development page. For questions, contact Scott Davis, [scdavis@rjuhsd.us](mailto:scdavis@rjuhsd.us) (916) 782-4707.

Responses to the RFQ must be received by the District at or before 1:00 p.m. on December 19, 2019. Proposals shall be delivered to the District Facilities Development Department, 2 Tiger Way, Roseville, CA 95678. Responses received after the above stated date and time will not be accepted.
