THE SCHOOL & POPULATION

Antelope High School is a public comprehensive school located in the community of Antelope, California. Antelope is primarily a suburban middle class community. Antelope High school serves grades 9-12 and fully accredited by the Western Association of Schools and Colleges (WASC) with the most recent WASC approval occurring in 2018.

Antelope High School operates on a four-by-four block schedule, with the school year split into two 18-week terms. Students are enrolled in four classes each term, which is equivalent to two traditional semesters. Therefore, each semester-long course at Antelope High School is equal to a yearlong course in a traditional high school.

The student population for 2019-2020 is approximately **1,830** students with a senior class of **422**.

The racial/ethnic composition consists of: White or Slavic 42.5% Hispanic 21.7% Black or African-American 12.3% Asian 7% Asian Indian 6.8% Filipino 4.3% American Indian/Alaskan Native 2% Hawaiian/Pacific Islander 1.6% Declined to State 1.8%

The above list indicates what our students indicate as their primary racial/ethnic identity. Of the White or Slavic students, 40% can be identified as Slavic, based on reported home language. 27% of our students identify with two races/ethnicities and 5% identify with three or more races/ethnicities, which are not detailed in this breakdown.

MARKING SYSTEM

Letter grades of A, B, C, D, and F are used. A cumulative grade point average is computed using 4.0+ scale, and includes all work completed in grades 9-12. Student transcript includes both weighted and unweighted GPA as well as a 9-12 Academic GPA, which excludes all physical education/health grades, and a 10-12 Academic GPA, which excludes freshman year grades, as well as all physical education/health grades. All Advanced Placement and some board approved Community College classes are given weighted credit. If a course is repeated, only the higher grade is calculated into the GPA.

GRADUATION REQUIREMENTS

English (9, 10/H, 11/AP, 12/ERWC/AP)	40 credits
Biological Science	10 credits
Physical Science	10 credits
Math – IM2 or Higher	20 credits
Physical Education (9 & 10)	20 credits
Fine Arts or Foreign Language	10 credits
World Studies/AP Euro/AP Human Geo	10 credits
U.S. History or AP U.S. History	10 credits
Government or AP Government	5 credits
Economics	5 credits
Health	10 credits
Electives	110 credits
Personal Finance Course	PASS

Credits Necessary for Graduation 260 credits
