## SCHOOL BUS INFORMATION 2021-2022

### **NEW THIS YEAR:**

Transportation will be changing the application process slightly. Applications may be submitted on-line (preferred method) or in-person at the Transportation office at 129 Berry Street. Once the application is approved, a confirmation email along with an invoice for the required annual or semester fee will be sent. Payments must be made through MySchoolBucks. All credit or ATM card payments must be submitted through MySchoolBucks. Cash only payments can be made in-person during regular business hours.

School sites will no longer sell replacement passes, 1-way tickets or distribute bus passes. Replacement passes are purchased through Transportation. 1-way tickets are no longer available. School bus drivers will distribute passes to their students. Students must have an approved application in order to ride the bus. Students are only permitted to ride their assigned bus route and may not ride to different locations other than their assigned stop. School site staff can be supportive by explaining to students in advance that if asked to ride home for special projects or parents picking up at their friends home after school that alternative transportation should be arranged.

The Transportation web page has posted the 2021-22 bus pass application for download.
