

Antelope High School

SCHOOL COMPACT

Collective Commitments

Antelope's High School staff, students, and parents have created the following "Collective Commitments" to support Antelope's learning targets and mission statement.

Instruction: Parents

- Know what is going on at school by following the school website, communicating with teachers via email, and checking Home-link.
- Explore alternative learning options to support individual student's needs.
- Volunteer for at least one school activity per year.
- Recognize and celebrate student achievements

Support: Parents

- Hold students accountable for their learning and achievements.
- Engage in regular conversation with students regarding homework and school activities.
- Help address areas where students need improvement.
- Be aware of resources for academic support and encourage students to use them (i.e. tutoring, and study sessions).
- Encourage students to participate in extracurricular activities.
- Recognize and celebrate student achievements.

Core Principles: Parents

- Make education a priority
- Recognize student's capabilities and encourage his/her best performance
- Be involved in school culture.
- Strive to promote a safe a stable home environment
- Not accept unsatisfactory effort
- Show respect for students and teachers.

Instruction: Staff

- We will adapt instruction to meet the learning needs of student all levels and learning modalities.
- Through the PLC process we will align our curriculum to meet the State/Common Core standards and district learning targets.
- We will utilize technology to enhance student learning.
- We will establish a safe and positive learning environment.
- We will continuously work toward improving formative and summative assessments that will ensure a true reflection of student achievement.

Support: Staff

- We will encourage and support parent involvement and communication.
- We will be available for any student who needs further instruction.
- We will communicate student progress with students and parents.
- We will implement teaching strategies that support every student (i.e., Special Education, and EL Learners).
- We will strive to improve student connectedness to the school and our classrooms.

Core Principles: Staff

- We will promote positive school culture.
- We accept no limits on the learning potential of any student.
- We will treat all students fairly
- We believe respect, honesty, responsibility and good citizenship are essential qualities for student success and will teach them accordingly.
- We will exhibit professional integrity; we are accountable to one another as professionals in our behavior in the classroom and in our collegial interactions.

Scholarship: Students

- 2.5 GPA or Higher
- Take initiative and/or ask for help
- Work to their full potential
- Take college entrance exams (PSAT, SAT, and Act)
- Challenge themselves(take AP classes)
- Actively participate in the classroom

Campus involvement: Students

- Wear Titan Gear/participate in spirit weeks
- Be involved in one extracurricular activity
- Participate and attend class meetings
- Portray school unity

Character: Students

- Take pride in their work
- Be positive examples
- Have an open mind
- Will respect themselves, school, peers, and community
