## What we worked on last week:

- RSVL Academy student registration was completed.
- Staffing applications are now closed.
- Finalizing the newly state-required COVID-19 DASHBOARD, which will provide information about case rate. It will be updated every Monday on our website [here](#).

## What's next:

- Adjusting potential student schedule and course changes for the spring term.
- RSVL Academy scheduling for on-campus instruction.
- New guidelines for athletics and activities are expected to be released sometime this week. We will make them available on the district website.

## Challenges ahead:

- RSVL Academy registration is closed and we have developed a waitlist [here](#) to potentially add capacity.

## Health updates:

- COVID-19 cases in the district and county are increasing due to off-campus behaviors and activities.
- Please adhere to CDPH safety recommendations - social distance, wear face coverings, wash hands frequently.
- The state's [Blueprint for a Safer Economy](#) tiered status doesn't impact if schools remain open or closed. Once a school opens, it can remain open unless there is 5% positive case rate on campus. The district can be shut down if at least 25% of our schools are at the 5% mark.

## Great news:

- Follow us on Facebook and Instagram for a 2020-21 tour around the campus to include district history, campus highlights, program spotlights and more!
