Dear 11th Grade Student, Parent/Guardian:

This year all 11th grade students will participate in the California Assessment of Student Performance and Progress. Juniors will take the Smarter Balanced Summative Assessments for English language arts and mathematics, and the California Science Test (CAST).

All students are expected to be on campus to complete these exams **Tuesday, April 13th** (Summative ELA), **Thursday, April 15th** (Summative Math), and **Tuesday, April 20th** (CAST). Our expectation is that all students would take their assessments in person. Classroom student ratio is set to test 14 or less students. Please read the message below for more information.

- **Schedule:** We expect students to be in their assigned classroom by **7:40 am**. Testing will take place from 7:40-12:50pm, with breaks and an asynchronous check in at the end of the testing day.
- All students will check in with their teachers at the end of the testing period on Zoom. Times will vary based on the day's schedule.
- Teachers will take student attendance in their assigned testing classrooms each day.
- **All students must complete their SCREENER 19 prior to coming on campus. School staff will check students in at the gates.**
- Test Day Preparation Checklist: **What should you bring with you on the day of the exam?**
 - **Fully Charged Chromebook with your charger for Testing** (If your Chromebook has problems, please call the library and get it exchanged before the test day)
 - Water Bottle
 - Snack
 - All cell phones, cameras, smart watches, and other electronic devices are prohibited during testing.
- Please view the second page of this letter to find your testing classroom number by last name range.
- **Make-up testing days will take place from April 21 - 23.** If this applies to you, please communicate immediately. Keep in mind that this will only be for students missing out due to a quarantine, or other valid reason.
- Parent Resources: <https://ca.startingsmarter.org/>
- All students must wear masks/face coverings, and remain at least 4 feet apart in classrooms.

In spite of the current circumstances, we want all of our students to give their best efforts on these assessments. If a student is unable to participate in testing in-person due to a quarantine or other valid reason, please contact the site testing coordinator, Assistant Principal, Dr. Gayle. Please leave as message with AP Secretary, Des DeLorge at (916) 726-1400 ex. 6060, or email her at ddelorge@rjuhsd.us.

Sincerely,

Marlon Gayle, Ed. D.
