

Collective Commitments for Students

Woodcreek High School students created the following “Collective Commitments” to support WHS learning targets and our school’s mission.

Academics – Students:

- Try their best 100% of the time
- Earn a ‘C’ or better in every class
- Complete classroom assignments
- Participate in classroom activities and discussion
- Seek assistance from teachers and intervention programs when struggling in a class – self advocate for their own learning
- Set high goals for their education, such as; planning to enroll in AP courses, honors classes, or Regional Occupation Program courses
- Create a meaningful path through high school that supports college and career options
- Explore opportunities across the curriculum

Campus Involvement – Students:

- Lead by setting positive examples – model the “Woodcreek Way”
- Be well rounded through participation in activities, the community and academics

Character – Students:

- Demonstrate respect for others
- Accept responsibility for personal actions
- Exhibit pride in their school by supporting school events and activities
- Always give their best on any task
- Demonstrate a positive attitude
- Utilize time wisely and productively
- Maintain academic integrity – take credit for own work
