THE SCHOOL

Oakmont High School is a public high school located in the city of Roseville. It is surrounded by the communities of Citrus Heights, Rocklin and Sacramento. It is one of six comprehensive high schools in the Roseville Joint Union High School District. Oakmont High School opened in September of 1965.

Oakmont is on a four-by-four block schedule with the school year split into two 18-week terms. Students are enrolled in four classes each term, which is equivalent to two traditional semesters. Therefore, each semester-long course at Oakmont is equal to a yearlong course in a traditional high school.

The school currently serves approximately 1493 students in grades 9-12. The ethnicity and race makeup is as follows:

| | |
|-------------------------------|--------|
| American Indian Non-Hispanic | 0.60% |
| Asian Non-Hispanic | 10.31% |
| Black Non-Hispanic | 2.88% |
| Filipino Non-Hispanic | 5.63% |
| Hispanic or Latino | 27.20% |
| Multi-Ethnic Non-Hispanic | 5.83% |
| Pacific Islander Non-Hispanic | 0.80% |
| White Non-Hispanic | 46.75% |

MARKING SYSTEM

Letter grades of A, B, C, D, and F are used. From 4th quarter 2020 to 4th quarter 2021 you might also see Credit (CR)/No Credit (NC), as our district gave students this grading option. A cumulative grade point average is computed using a 4.0+ scale and includes all work completed in grades 9 through 12. The transcript includes both weighted and unweighted GPA as well as a State GPA that excludes freshman grades and physical education grades. Advanced Placement, Honors (excludes Honors English 10), and International Baccalaureate classes that are Board approved are weighted. If a course is repeated, the higher grade is calculated into the GPA.

COVID STATEMENT

In accordance with California Assembly Bill 104, direction from the Governor, and California Department of Education directives to "Do No Harm" in response to the Covid-19 pandemic, students were given the option to select either a letter grade or Credit/No Credit for courses taken from 4th quarter 2020 through the end of 4th quarter 2021.

STUDENT ACTIVITIES

Oakmont High School students may contribute to student literary productions such as the school newspaper and yearbook, be active in student government and leadership groups, as well as participate in band and theater productions. Volunteering within the community is strongly encouraged.

Opportunities are available to participate in a wide range of interscholastic sports and student-led clubs.

CLASS RANK

Class rank is determined by all grades 9 through 12 using a weighted grade point average.

HEALTH CAREERS ACADEMY

Students in the Academy take English, science and social science classes with an integrated curriculum focused on healthcare. Academy students must also take three classes, Medical Science & Terminology, Advanced Medical Sciences, and Medical Trends Seminar, in which they learn medical terminology, nursing skills, and job seeking skills. Strong emphasis is placed on soft skill development. Academy students have significant work-based learning experiences and may take Hospital Practicum, a 100-150 hour internship. Since classes are
