

Tech Assistants

Good news GBHS staff, GBiT is offering a new and simple way for teachers and staff to get the help they need with all things technology! Tech Assistants are GBiT students who will be assigned to specific teachers and staff in order to closely assist them with their technology training.

What we can assist with:

- Chromebooks
- Google Apps for Education
 - Google Docs, Slides, Forms, Spreadsheet, etc.
- Google Classroom
- Managing Google Drive
- Google Sites
- SMART Board
- Learning Management Systems
 - Blackboard, Schoology, Edmodo, etc.
- Google Hangouts
- Microsoft Office (Word, Excel, Powerpoint, etc.)
- Tablets and Personal Devices for Instructional Use
- Computer Software
- More...
