Parking Permit Request

Antelope High School has 142 parking spaces available to students with a potential vehicle population of over 1600. Therefore, CAR POOLING is strongly suggested when possible!

Please complete and submit this application, attaching a COPY of your

- **current** driver's license and
- current proof of insurance to Student Services.

The office staff will not make copies for you. Application must be complete to receive your parking permit decal.

PERMITS ARE ISSUED TO LICENSED STUDENTS ONLY! SENIORS WILL HAVE PRIORTY; ALL OTHERS WILL BE ON A FIRST-COME, FIRST-SERVED BASIS

THE PARKING PERMIT STICKER MUST BE PERMANENTLY AFFIXED TO THE INSIDE RIGHT CORNER OF FRONT WINDSHIELD! Remove the permit sticker from its backing and place directly to inside of the windshield on the corner of the passenger side. This will ensure that the permit sticker is in plain view. Violation of this rule will result in being ticketed or the vehicle being towed at the owner's expense.

Students are only allowed <u>ONE</u> parking decal per school year. If a different car will be driven on a temporary basis (2 weeks max), an application for a temporary parking permit must be submitted and granted before the car can be parked on school grounds. Should a permitted car be sold or permanently replaced, the student must peel off the old sticker. The old permit decal must be returned (even if it is in pieces) to Student Services with a new parking permit request form & appropriate paperwork in order to receive a new sticker.

Note: Another decal will **NOT** be granted in cases of a lost original parking permit decal!

ANTELOPE HIGH SCHOOL STUDENT PARKING REGULATIONS

TRAFFIC REGULATIONS: School safety is not a negotiable issue. Students found violating these rules or operating in an unsafe or reckless manner can lose driving and parking privileges on campus. Pedestrians have the right-of-way; campus maximum speed limit is 10 mph. Reckless driving or driving beyond the 10 mph speed limit may result in suspension, a citation and/or revocation of parking privileges.

Parking Violations: A parking permit is required to park at AnHS!

The Antelope High School parking lot is subject to the same laws governing the roads and highways. Reckless driving, exhibition of speed, mechanical, registration, and parking violations, etc. – these laws are applicable to all vehicles in the parking lot. Any law enforcement officer is authorized to patrol and cite, if necessary. Repeated offenses may result in school suspension for defiance of authority and non-compliance of school rules and policies *and* permanent revocation of the parking privilege. In an attempt to clarify parking rules and regulations, please read and abide by the following:

Parking in the following locations is **prohibited** in the below-mentioned areas:

- Red curbs / Fire lanes / Islands.
- Staff (in front of the school and behind the school) and Visitors .
- Grass / sidewalks (this includes driving on grass or sidewalks).
- Handicapped (unless you have a permit registered to you).
- Traffic lanes (blocking the flow of traffic in any way).
- Parking outside of designated parking spaces (a designated space is defined as the space between two white lines that is **not** marked, "No Parking").
- Parking without a valid AnHS parking permit decal in plain view may result in a citation or tow at the owner's expense (Parking permit/decal is to be affixed permanently on the inside of the front windshield).

<u>A parking sticker DOES NOT GUARANTEE A PARKING SPACE.</u> Permitted parking is on a first-come, first-served basis.

I HAVE READ AND UNDERSTAND THE ABOVE-LISTED RULES AND REGULATIONS. I UNDERSTAND THE CONSEQUENCES FOR <u>ANY DRIVING/PARKING VIOLATION INCLUDES</u> <u>SUSPENSION, RECEIVING A FINE, HAVING CAR TOWED AT OWNER'S EXPENSE, AND/OR LOSING PARKING PRIVILEGES ON CAMPUS PERMANENTLY.</u>
