

# Student Self-Enrollment

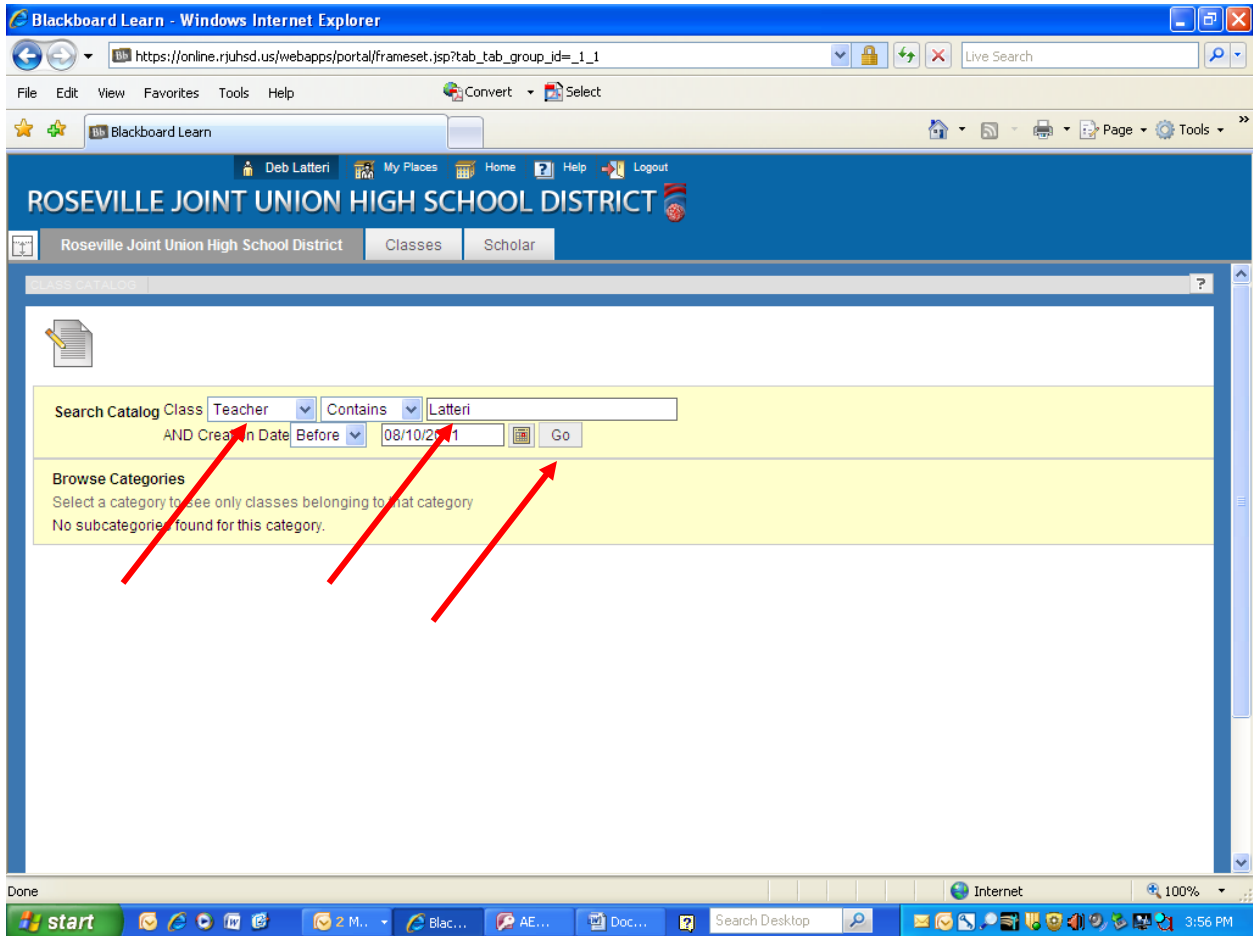

Make sure to have either the course code or at least the last name of your teacher before you attempt to enroll in a course. Click on the Roseville Joint Union High School District tab. Select Browse Class Catalog.

The screenshot shows the Blackboard Learn interface for the Roseville Joint Union High School District. The browser window title is "Blackboard Learn - Windows Internet Explorer" and the address bar shows "https://online.rjuhsd.us/webapps/portal/frameset.jsp". The page header includes the district name and navigation tabs for "Roseville Joint Union High School District", "Classes", and "Scholar". The "Classes" tab is selected. The main content area features several modules: "Tools" (with links for Announcements, Calendar, Tasks, My Grades, Send Email, and Address Book), "My Announcements" (no announcements in the last 7 days), "My Calendar" (no events in the next 7 days), "Class Catalog" (with a "Browse Class Catalog" button circled in red), "My Classes" (showing "Geometry" as an enrolled class), "My Tasks" (no tasks due), and "Classes: Quick View" (also showing "Geometry"). A red arrow points from the "Browse Class Catalog" button to the "Classes" tab. The Windows taskbar at the bottom shows the Start button, several open applications, and the system clock at 3:53 PM.

If you have the course code of the course into which you are trying to enroll, select ID. If you don't have the course code, but know your teacher's last name, select Teacher. Type in the ID or Name in the Search bar.

In this case, I am searching by teacher.
