

SIERRA COLLEGE

RISE PROGRAM INFORMATION SHEET

Program Details

RISE is a new guided pathway academic support program designed for new, out of high school students that are starting college at Sierra. Students who are accepted into the RISE program will have priority reserved seats in core classes. Once accepted, RISE students will be assigned a success team that includes counselors, peer mentors, expedited financial aid support, success coaches and academic support from the first day at Sierra until the completion of their educational goal.
