

# Antelope High School Library Celebrates Teen Tech Week March 6-10th

## Activities will include the following:

1. Database Scavenger Hunt: Students will receive a treat for completing the hunt and will be entered into an end of the week raffle drawing for two free movie tickets (**[Link to Scavenger Hunt - https://goo.gl/forms/rVUAtEK0DXyu1OI12](https://goo.gl/forms/rVUAtEK0DXyu1OI12)**)
2. Invention Corner: Students will work on an invention plan and design all week long through brainstorming and collaboration
3. Service Station: Students will make bookmark jars for our Library
4. Stop Motion Movie Making: Students will use pictures and Windows Movie Maker to create a Stop Motion Video
5. Scratch Animation from MIT: Students will use Scratch programming to design an animation
6. Voki: Students will create an avatar for message communication
7. STEM Station: Students will create binary bracelets using their initials
