Oakmont is on a 4x4 block schedule. This means students will sign up for 8 classes now, but be assigned only 4 classes for the fall term and the other 4 classes for the spring term. This allows students to “double up” on classes (i.e. A student could take Spanish 1 and Spanish 2 in the same school year.). If you wish to double up, please sign up for both levels of the classes on this form and on Homelink. We will make sure you are scheduled in the correct order.

**ELECTIVES—For graduation, students must take 260 credits total. Classes other than core areas are required. Students should monitor their transcript on Homelink to see how many elective classes/credits they must complete to meet graduation requirements.**
