## Principal's Message

*Dear Oakmont Families,*

*We have reached the end of another incredible year, we would like to express our heartfelt gratitude for your unwavering support and trust in our school community. It has been a year filled with growth, achievements, and memorable moments. Our dedicated teachers and staff have worked tirelessly to provide a nurturing and stimulating environment for your children. We witnessed their curiosity flourish and their talents blossom. We celebrated achievements big and small, fostering a culture of learning, resilience, and kindness. My greatest hope is that all of our Oakmont Families take the time this summer to recharge and relax. We have a lot of planning to do this summer and can't wait to have you all back for Viking Voyage days in August.*

*Thank you for entrusting us with your children's education and for partnering with us in their journey.*

# Transcripts for Colleges

---

For Seniors Needing Final HS Transcripts Sent:

This time of year is an exciting and busy one. Many of you have received your acceptance letters or email from the college/university that you will be attending. One of THE MOST important things that must be done to finalize your acceptance and to also receive any scholarship funds or financial aid is to request that your final transcripts be sent.

Neither your counselor, nor the Registrar are notified of where you are going to college and no transcripts are sent “automatically”. Your college/university wants to see your final grades and in many cases, without this, you may not receive your Fall classes with them, your financial aid will be held up, or scholarships will be put on hold. So, please make sure to submit your requests for your final transcripts after you read the following information.

All transcript requests are processed through Parchment. Requests cannot be made in person. Students, be sure to use a personal email address. **DO NOT** use your @student.rjuhsd.us email as you will not have access to this account once you graduate. Also, if you have any information in your student Google Drive, docs, sheets, etc. that you would like to keep long term, make sure that you save those items to a personal device since you will also lose access to all Google services connected to your @student account.

If you know which college/university you will be attending, you can make your request now and ask that the transcript be held for final grades. When you request your transcript(s), between now and when final grades post on June 13th, please make sure you answer the question **When do you want this sent**, with **Hold for Grades**. If you do not answer with this, your transcript will be processed now without final grades and you will need to make another request.

Lastly, please make sure to make all requests before **June 27th** to guarantee that your transcript is sent by the **July 1st** deadline. Anything requested after **June 27th** will most likely not meet the UC/CSU and out of state college deadlines for final transcript submissions. \*\*Please note that ALL fees, fines, including but not limited to: overdue library books, textbooks, all electronics including billed electronics, sport uniforms and previous school fees and fines MUST already be taken care of and you should be free and clear of owing anything to Oakmont High School or any other high school. If you leave a balance, your transcript request(s) WILL NOT BE PROCESSED. Please take care of your fees and fines now, do not wait.

If you have any questions regarding this process, please email the Registrar, Christina Winn at [cwinn@rjuhsd.us](mailto:cwinn@rjuhsd.us), any questions about Parchment, you will need to use their [customer service help link](#).

A new medication form is required each school year and is required for all medication, including inhalers, Epi-Pens and any over the counter medications (i.e. Tylenol, Motrin). Please return the medication form to the health office before your student has medication on campus.
