Principal's Message

I don't know about you, but I love the month of October. The fall weather starts, and we start to forget how hot our summer was. School is reaching a new phase too. Believe it or not, we have reached the end of the quarter. Students earn 5 credits now and another 5 credits at the end of December. If you do the math, that is 40 credits per term and 80 credits per year. Ideally, we want all students to earn 80 credits each year. However, sometimes students struggle, and then they have to repeat a course. If your student is new to the high school system, it is important that they know that if they do not pass a graduation requirement, they must take it again. If you are not sure how many credits your student will have earned by the end of the first quarter, please reach out to their counselor. Your student's counselor can help you bridge the communication between you and the teacher or between the student and their teacher. Get to know your student's counselor because they are very helpful for students who are struggling and for students who need support with college applications.

Athletics

Congrats to all our fall sports student athletes participating on a fall sports team! Our Vikings continue to represent Oakmont HS and the Oakmont community with the utmost Courage, Commitment and Character.

Thank you coaches for all your hours of commitment to your teams and providing them with a positive experience no matter the outcome of the contests.

Winter sports are right around the corner. Our winter teams will be abiding by the Sac Joaquin Section's mandated "*Dead Period*" from 10/8 - 10/29 in which only strength and conditioning is allowed. This means there will not be any sport specific skill development practices during the "*Dead Period*". Official tryout practices begin on Monday, 10/30.

Don't forget that all our student athletes must be athletically cleared through Home Campus no later than 10/30 in order to participate. All athletic clearance information can be found on our school website, oakmont.org, under "Athletics" then "Athletic Clearance". Any questions can be directed to Lupe de la Cruz at gdelacruz@rjuhsd.us! As always.....Go Vikes!!!

AP Exam Payment Details

2023-2024 OHS Advanced Placement Exam Payment Details

[Link to flyer](#)

This contains important details about Advanced Placement exams for May 2024. Please carefully review the information below and complete the required steps to pay for your student's AP exams this year.

All students who are in AP classes that began in August, 2023 (Fall term or Year-long AP Courses) must register and pay for their AP exams by **November 1, 2023**.

There are 2 steps required for Oakmont High School to be able to order an AP exam for a student:

→ **REGISTRATION -- Students MUST enroll in AP Classroom for each AP course they are taking:**

- ◆ For **FALL term or YEAR-LONG AP courses**, students should be enrolled in AP Classroom/s at this time. If students are not yet enrolled in AP Classroom/s, please have them work with their AP teachers to join ASAP.
- ◆ For **SPRING term AP courses**, students will join AP Classroom within the first week of their course in January. Register for Spring term AP exams in the Spring.

→ **PAYMENT -- Students MUST submit payment for each AP exam they are taking:**

- ◆ **Deadline:** the deadline for AP exam payment for **FALL term or YEAR-LONG AP courses** is Wednesday, November 1, 2023. Payment for Spring term AP exams occurs in the Spring. **NO REFUNDS WILL BE GIVEN FOR EXAMS CANCELED AFTER THE REGISTRATION DEADLINE.**
- ◆ **Fees:** The AP exam fee is \$100/exam. The reduced AP exam fee for students/families that qualify is \$10/exam. Students who register and/or pay after the November 1, 2023 deadline will incur an additional late fee of \$40/exam.
- ◆ **Online Payments:** AP exams can be paid online here: [OHS Webstore](#). Once on the page, please select the "AP: College Board" icon for regular fee payment. ALL online/credit card payment incurs a 3% surcharge.
- ◆ **In-Person Payments:** AP exams can be paid in-person; please complete the [AP Exam Registration Slip](#) and bring cash, check or credit card to the Student Services window in the OHS Administration Building. Please make checks payable to: Oakmont High School.
- ◆ **Reduced Fee Payments:** Families that qualify for reduced fee may pay using either method above. When accessing the online payment system, please select FREE & REDUCED AP EXAM for reduced fee payment. Please note that your family must have already completed the [FARL form](#) in order to access the reduced fee. Be advised that applications take up to a week to process. If you have financial hardship and need help, please contact Mr. Cole Oliver at coliver@rjuhsd.us.

At this time, all AP exams will be offered in-person, on-site at Oakmont High School. We will provide more information about testing logistics as we receive updates from the College Board and will work individually with students who have College Board approved testing accommodations. Once accommodations are approved by the College Board, they do not need to be renewed each year. If you have a documented need and do not already have College-Board approved accommodations, please contact your school counselor.

If you have general questions about AP exams, please contact AP Coordinator, Christine Rossmiller at crossmiller@rjuhsd.us or Assistant Principal, Cole Oliver at coliver@rjuhsd.us.

Thank you for supporting your AP student this year! We are very proud of their effort, commitment and growth!

Unified Sports

Special Olympics is dedicated to promoting social inclusion through shared sports training and competition experiences. Unified Sports joins people with and without intellectual disabilities on the same team. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding.

In Unified Sports, teams are made up of people of similar age and ability. That makes practices more fun and games more challenging and exciting for all. Having sport in common is just one more way that preconceptions and false ideas are swept away.

Oakmont is hosting the 2nd annual Unified Sports Soccer Tournament
October 26, 2023 9:30am-12:30pm Oakmont Stadium

Participating Schools: Antelope HS, Granite Bay HS, Woodcreek HS, Roseville HS, West Park HS
