## Principal's Message

*Welcome back to the New Year!*

*I hope the students had a restful break and that you were able to enjoy some family time as you closed out the year. We kick off January with new classes and a new opportunity to engage in positive learning experiences. We are also implementing a new intervention schedule that we feel will give students more access to support their academic needs. As new classes start, we highly encourage you to reach out to your students' teachers and counselors to lay the foundation of a positive partnership. We find that a strong partnership between families and schools creates some of the best learning opportunities for students. One of the first things you can help us with is by attending Back to School Night on January 11th.*

*We hope to see you all there.*

## Thinkers

We use critical and creative thinking skills to analyze and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

## Spotlight on IB Parent Boosters

IB Parents Club welcomes parents of all students taking an IB course. We support IB teachers and students undertaking IB courses through events and celebrations and by fundraising to help with those events. Recently, IB Parents Club has supported the IB Program by purchasing T-shirts for ALL IB students, providing coffee, juice, and muffins for a meet and greet breakfast for Extended Essay mentors and their assigned students, supplying lunch for IB teachers, and helping senior IB diploma students go miniature golfing together at Sunsplash. IB Parents Club monthly meetings feature speakers from the IB program such as the coordinators for CAS (Community, Activity, Service), EE (Extended Essay) and for resources such as the Wellness Center.

**The Oakmont Health Careers Academy is accepting applications for the 2024-25 school year, Class of 2027!**

The Health Academy is the premiere college and career readiness program for students who are interested in entering the field of healthcare. The Academy provides opportunities to learn real-world skills that are used every day by medical professionals and the chance to use the skills they learn during job shadowing and internships. We partner with local hospitals and medical facilities to give our students experiences in healthcare that are truly unique for high school. The Academy also takes students on a tour of California's colleges and universities to help prepare them for applications during their senior year.

If you are interested in joining our program, please apply at:

**<https://www.rjuhsd.us/Page/10212>**

*Applications are due by Jan 26, 2024*

If you have questions about the program,  
please contact Wes Muller or Josh Collison

## Academic Plans

During November and December, Oakmont students updated their Academic Plans in Aeries. The Academic Plans have been transferred to Course Requests for next school year (and can be seen in Aeries/Homelink under "Classes" and then "Course Requests").

During the months of January and February, every student will have a one-on-one meeting with their school counselor for academic planning and registration advising. Counselors will be reviewing student transcripts and course requests, and can make any needed updates to the 2024-2025 course requests or future Academic Plans at that time. These meetings will take place between January 16th and February 26th during 2nd period, and 2nd period teachers can let students know when their class is scheduled with the counselors.

### **Before January 16th, we ask that you do the following:**

Review the classes for next year in Aeries/Homelink under "Course Requests". Take notes on any final adjustments or changes that you'd like to make, and have the notes ready for your meeting. (Please do not email your counselor ahead of time with these changes.)

Fill out the Google request form for your FOUR alternate courses. It is very important to have alternates selected in case of schedule conflicts and/or full classes. **This form needs to be completed by January 16 at 11:59pm.**

Review the information about courses and programs that require applications:

**<https://www.rjuhsd.us/Domain/503>**. If you are planning to have a TA or Off Campus period next year, make sure to bring the completed form to your counselor meeting.

## **Welcome back Athletes!**

We hope everyone had a Blessed Holiday Season! Winter sports are in full swing and all sports are currently competing in Foothill Valley League play.

Come out and support boys and girls soccer, boys and girls basketball and boys and girls wrestling. All teams will have home games/matches in the month of January!

Spring sports are right around the corner. Official practice for baseball and softball will begin on January 29th!! While boys volleyball, boys tennis, boys and girls swim/dive, boys golf, boys and girls track & field, boys and girls lacrosse and stunt (sport cheer) all get started on February 5th.

All athletes wanting to tryout must complete the online ATHLETIC CLEARANCE. Information for how to get cleared can be found on the Oakmont website under ATHLETICS. If you have any questions, please feel free to reach out to our awesome athletics administrative assistant, Lupe de la Cruz at [\*\*gdelacruz@rjuhsd.us\*\*](mailto:gdelacruz@rjuhsd.us).

Oakmont Baseball spent Saturday morning, December 16th volunteering their time helping with Wreaths Across America program at the Sacramento Valley United States Military cemetery in Dixon, CA.

Thank you Oakmont Baseball coaches, players and families for supporting such an awesome cause!

Go Vikes!!!
