1. Call to order (Davis)
2. Approval of Minutes: Minutes Approved
3. New Business
 - a. Mahoney - Science standards - offering the NGSS biology
 - i. Not about memorization
 - ii. Focus is how X influences Y which causes
 - iii. All 9th graders will be asked to take by default (unless there is a special case)
 - iv. Future targets: NGSS physics and then chemistry
 - v. Next year freshman will be on the new pathway
 - vi. Building the program - Roth is piloting currently in his classes
 - vii. Group approved proposal
 - b. Mahoney - New Graphic Design Pathway
 - i. 2 courses altered - just title changed
 - ii. CTE - typical pathway is a 3 course structure
 - iii. Current classes:
 1. design +illustrator will be Graphic Design 1 - continue to be aligned to CTE standards and working towards A-G approval (F)
 2. Design + photo will be Graphic Design 2 - same history as Graphic Design 1
 - iv. New course:
 1. Graphic Design 3 - processes of design, integration of text and image, still focusing on digital design tools, going to have community clients, career exploration
 2. Goal is that it will be a VAPA course; exploring if 3 level should be regarding theory vs hands-on application
 - v. Name change for 2 courses - passes
 - vi. New course - passes
4. Opportunity for Public Input (no represents appeared)
5. Committee Report
 - a. Student Update: The 2nd semester started very well. ASB office elections coming up and Club Rush is on Monday; Student production is coming up that is directed by students; sometimes in February there will be a childhood cancer basketball game; lipsync coming up at the end of February
 - b. Faculty Update: counseling update - registration is coming up; catalog has been updated; junior family conferences will be coming up; parent - 2 / 3 students didn't have information at home about registration, but parents had emails; email was a great double-check to inform the

parents; teacher - Eich is offering French next year; starting CAASPP testing - math and ELA for juniors; and science for seniors

c. Administration: good

d. ELAC Update: Bilingual back to school night prior to traditional Back-to-School. Focus was a lesson on homelink. Also had student and district volunteer

6. Unfinished business

a. Grading guidelines - minor alterations were sent out, GUIDEbook - that focuses on best practice

i. passed

b. Site Council Goals

i. District goals have not changed

ii. Site Goals

1. Not in there: Reduce suspensions and chronic absences because they are not aligned with district goals

2. Site goals align with district goals

3. Approving the goals as is, with the exception of looking at the action items at the February meeting

4. **Homework: Need the council to look at the goals**

5. Goals passed with exception (see 6b. #3 above)

7. Report on Meetings attended (none)

8. New Business

9. Announcements
