September 5, 2018

OAKMONT HIGH SCHOOL

1. **Call to Order** – 5:05pm
2. **Approval of Minutes** – First meeting of the school year, no minutes to approve
3. **Public Input** – No public input, no one in attendance from the community
4. **Committee Reports:**
 - a. **Students** – students reported that students are appreciating Intervention period, that they like 5 Star and feel it is helping Student Government to serve the school, Students are working on preparing for Homecoming, Students like the Chromebooks but there is lots of blocked content that needs to be student accessible, the first dance was huge and the students liked the new DJ.
 - b. **Staff** – Great start to the year, very busy with lots going on but it seems students are settling in well.
 - c. **ELAC** – No ELAC representation as they have yet still to meet for the first time this year. They should have a newly elected ELAC President at the October Site Council Meeting.
5. **Unfinished Business** – No unfinished business from the May 2018 meeting.
6. **Reports of Meetings Attended** – Staff reported attending a Seal of Bi-literacy Meeting – During the meeting staff discussed the new requirement for students to be considered Bi-literate – students will need to take an oral exam in order to receive the seal.
7. **New Business** –
 - a. **Introductions** – Teachers, Staff, Students and Parents introduced themselves to the team for the 18-19 school year
 - b. **Review of Bylaws** – We reviewed the Site Council Binders and requested that each member take the time to review the Bylaws, district goals and CAASPP data.
 - c. **Purpose of Site Council** – We reviewed the main concepts of the Site Council to serve as an oversight and recommendation body to the school site. Site Council is designed to get input from all stakeholders, review school policies and processes in an effort to improve the school setting for all students. We discussed the importance of reviewing data and using the results to drive the decisions we make as a council as well as a school as a whole. We also discussed how we are the body that recommends how site LCAP funds should be allocated in order to improve the school (based off the school wide data).
 - d. **Special Education Presentation** – Tabled till the October meeting.
 - e. **CAASPP Data Review** – The Site Council reviewed the CAASPP data from the 17-18 school year (both math and ELA). Members were given copies to review in their own time and were encouraged to bring back any questions or concerns to the October meeting.
 - f. **AP/IB Data Review** – The Site Council reviewed AP and IB data and were given copies to review in their own time. Council members were encouraged to bring back any questions or concerns they have.
