5. New Business
 - a. Agreed that we are not going to change overall goals
 - b. However we will review the action items and see if adjustments need to be made
 - c. Inquiry: Is the first action item, A-G, accurate and do they identify with LSS. Noted.
 - d. Inquiry: Are we exploring the AP diploma program? No, we are not it is something we are going to remove due to capacity.
 - e. Inquiry: Teacher-mentor program, are we moving forward with that? No because we did not do that this year, noted.
 - f. Inquiry: Are we moving forward with ways to communicate with parents of students with disabilities and other subgroups? We need to integrate the parents of students with disabilities as much as we are trying to integrate their students. Needs to be more supports and accommodations. Answer: It is a county run organization. Comment: Yes, but the issue is that it is intra-district and there is more that we can do on the district level. Answer: I will go after it, but there is some logistical pieces that will need to be sorted out. What would the meeting for

special education parents entail? Answer: It will compare to ELAC and DLAC for special education students.

- g. Inquiry: Would the onsite credit recovery for math and English make sense to have funding for? Answer: That is funded out of the district fund. Comment: Could they make an extra section for that purpose. Answer: No, not at site level.
- h. Inquiry: Do we have teacher leaders for 5th period? Answer: Yes, we still have 5th period tutors.
- i. Inquiry: Are we still doing speaker series? Answer: No, we no longer do the speakers series.

Motion made to approve the school plan by Clarice Swaney. Seconded by Bethany Olander. Unanimous approval.
