  - B. Sr. Events Update

1. Looking at Senior ball to go the Ridge. Meeting with the district to talk about senior events. From there with new guidance will meet with parents and seniors on a webinar to talk about what senior events will look like. Allow for seniors to vote to see if they wanted to do these events with the regulations that are in place. Trying to be transparent about what we can do, and seeing if seniors want to do that. Got thumbs up for a senior sunset event. It will be outside at Oakmont with masks. Delivery for yearbook will be June 15th. AMAs (Academic Merit Awards) we will be doing. Waiting to see what the new tiers will look like and their ability to do things. Need to be the same on the page for senior activities throughout the district.
2. What about a senior picnic?
  - a) Because of the regulations, kids are just not interested in it.
3. What about a senior concert of some sort?

#### C. COVID Update - 3 ft and 10 day quarantines

1. Change in guidance would allow for additional students to be back in classroom if they want. Anticipate the board meeting will be talking about the 80 minute class period with the lunch period (making sure the classes are prepared and ready if that is a case).
2. Is the option for zooming going to still be available? Are students going to be able to come in and out of class?
  - a) Yes, and yes, but only for the day.
3. Do you think that with the 3ft radius there will be more quarantining?
  - a) Yes
4. Potential start date would be the week of March 19th (hypothetical case)

#### D. Indoor Athletics

1. 10% of capacity to be able to go to indoor sports. We believe that we will be able to get 2-3 family members per athlete to be able to view indoor events. We will be sending one out for performing arts as well.
2. How is the testing going?
  - a) Working on it as the wait time was really long. Had conversations about it to make sure that changes are being made.
